

Concessionary packages

Concession packages are reduced rates made available by subsidisation by PESGB, to enable part-time academics, students, practising schoolteachers, and the unwaged to attend the annual conference.

When registering for the conference at any of these rates, your booking will be subject to approval by the Conference Organiser, who will check your eligibility for a concession package rate. If a bursary rate is awarded or concession rate agreed, you will then be invoiced or sent an online payment link for the appropriate rate.
