Report on IMPACT

March 2021

1. Latest pamphlet

There was no IMPACT pamphlet published in 2020. The most recent pamphlet was IMPACT 25: *How To Regulate Faith Schools* (Matthew Clayton, Andrew Mason, Adam Swift and Ruth Wareham). The launch seminar and media coverage for that pamphlet were summarised in a previous report.

2. Future pamphlets

Next up is IMPACT 26: *'Powerful Knowledge', 'Cultural Literacy' and the Study of Literature in Schools*, by Robert Eaglestone. The pamphlet is currently in production and plans for the (online) launch seminar are underway. We expect to launch the pamphlet sometime in May.

Proposals are in development on the following topics:

- academic freedom and the gender wars (Judith Suissa and Alice Sullivan)
- punishment in schools (John Tillson and Winston Thompson)
- the mastery approach to teaching and learning (Carrie Winstanley)
